( Under the aegis of Delhi Public School Educational Society, New Delhi )

"Committed to Excellence"

## Computer Lab

The school has state-of-the-art computer labs to cater to students at Junior, Middle and Senior School levels so that every student can keep abreast with IT enhanced learning programmes. They gain proficiency and dexterity in current technology with optimized supportive infrastructure with the latest hardware and software and a team of extremely competent staff. The school is committed to a progressive and evolving approach to ensure that our students have the advantage of being familiar with up to date technology advances in IT based educational initiatives.

There is a wide platform for our children to not only explore IT frontiers as a subject, but to ingeniously explore and make forays into IT supported art medium in the field of designing , photography and movie making.
