

Delhi Public School, Ujjain

(Under the aegis of Delhi Public School Educational Society, New Delhi)

"Committed to Excellence"

Music Room

Music is a vital part of education here at DPS Ujjain and we ensure that students get an opportunity to play and enjoy all forms of music. DPS Ujjain has One Music Room that house instruments that students can play during music classes. The Music room is used as a place for students to practice and play their preferred instruments.
