

Delhi Public School, Ujjain

(Under the aegis of Delhi Public School Educational Society, New Delhi)

"Committed to Excellence"

Chemistry Lab

Our chemistry lab aims to

- show our students the excitement of science.**
- raise the attainment in science by supporting the school curriculum**
- inspire our students to become the scientists of the future.**

Our chemistry lab is well equipped with chemicals and other apparatus to cater to the needs of all the students up to class 12.
