

"The function of education is to teach one to think intensively and to think critically. Intelligence plus character—that is the goal of true education."

– Dr. Martin Luther King Jr.

At DPS, Ujjain, we are committed to nurturing both the intellect and character of every student. Our goal is to provide a learning environment where curiosity is encouraged, creativity is fostered, and critical thinking is developed. We believe in empowering students to become confident, compassionate, and capable individuals who will thrive in an ever-changing world.

Our dedicated faculty and staff are here to guide each child's educational journey, supporting them in discovering their passions, honing their skills, and reaching their full potential. Through a balanced approach that blends academic rigor with social-emotional learning, we aim to equip our students with the knowledge, values, and resilience needed for lifelong success.

Thank you for considering DPS as the place to shape your child's future. Together, we can inspire the next generation of leaders and changemakers.

Warm regards,
